The United Way Young Leaders Society (YLS) is a unique organization of passionate young professionals who are actively seeking ways to Connect, Serve & Lead to make a positive and lasting impact throughout our community. Our signature event, the Sunset Show Leadership Live will take place from 6:00 p.m.-8:30 p.m. on Tuesday, March 1, 2011, at The Westin La Paloma Resort and Spa.

This event gives emerging young leaders the opportunity to mingle and learn from the best in southern Arizona. The event showcases established societal leaders in a "Johnny Carson Show" interview format. This year, we will be interviewing the United Way 2011 Young Leader of the Year and Ruth Brinkley, President and CEO of Carondelet Health Network in Tucson. This event attracts many prominent leaders in Tucson, as well as, the next generation of philanthropic leaders.

We would like to ask that you consider joining us this year as a table sponsor. The table sponsorship is \$300.00, *if purchased by February 4th*, and includes:

- Complimentary dinner for 10 people
- Recognition in the Sunset Show Leadership Live presentation
- Quarter Page ad (2.5 in. x 3.25 in. vertical, black and white) in the program.
- *We will need your desired ad no later than February 9th*
- Priority seating at the event

You can purchase a table after February 4th but the price will be \$450 and we will not be able to include an ad in the program. Companies can purchase ads without sponsoring a table.

- Quarter Page ad (2.5 in. x 3.25 in. vertical, black and white) in the program is \$175
- *We will need your desired ad no later than February 9th*

If you have any questions, please do not hesitate to ask. Thank you in advance for your consideration and your commitment to United Way and our community. When we reach out a hand to one, we influence the condition of all. That's how we **LIVE UNITED™**.

Sincerely,

Michael Cleveland
